**SECTION 1. SHORT TITLE.**

**SEC. 2. FINDINGS.**

15 USC 78u-1

The Congress finds that—

(1) the rules and regulations of the Securities and Exchange Commission under the Securities Exchange Act of 1934 governing trading while in possession of material, nonpublic information are, as required by such Act, necessary and appropriate in the public interest and for the protection of investors;

(2) the Commission has, within the limits of accepted administrative and judicial construction of such rules and regulations, enforced such rules and regulations vigorously, effectively, and fairly; and

(3) nonetheless, additional methods are appropriate to deter and prosecute violations of such rules and regulations.

**SEC. 3. CIVIL PENALTIES OF CONTROLLING PERSONS FOR ILLEGAL INSIDER TRADING BY CONTROLLED PERSONS.**

(a) **AMENDMENT.**—The Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.) is amended—

“(B) may, subject to subsection (b)(1), bring an action in a United States district court to seek, and the court shall have jurisdiction to impose, a civil penalty to be paid by a person who, at the time of the violation, directly or indirectly controlled the person who committed such violation.

“(2) AMOUNT OF PENALTY FOR PERSON WHO COMMITTED VIOLATION.—The amount of the penalty which may be imposed on the person who committed such violation shall be determined by the court in light of the facts and circumstances, but shall not exceed three times the profit gained or loss avoided as a result of such unlawful purchase, sale, or communication.

“(3) AMOUNT OF PENALTY FOR CONTROLLING PERSON.—The amount of the penalty which may be imposed on any person who, at the time of the violation, directly or indirectly controlled the person who committed such violation, shall be determined by the court in light of the facts and circumstances, but shall not exceed the greater of \$1,000,000, or three times the amount of the profit gained or loss avoided as a result of such controlled person’s violation. If such controlled person’s violation was a violation by communication, the profit gained or loss avoided as a result of the violation shall, for purposes of this paragraph only, be deemed to be limited to the profit gained or loss avoided by the person or persons to whom the controlled person directed such communication.

“(b) LIMITATIONS ON LIABILITY.—

“(1) LIABILITY OF CONTROLLING PERSONS.—No controlling person shall be subject to a penalty under subsection (a)(1)(B) unless the Commission establishes that—

“(A) such controlling person knew or recklessly disregarded the fact that such controlled person was likely to engage in the act or acts constituting the violation and failed to take appropriate steps to prevent such act or acts before they occurred; or

“(B) such controlling person knowingly or recklessly failed to establish, maintain, or enforce any policy or procedure required under section 15(f) of this title or section 204A of the Investment Advisers Act of 1940 and such failure substantially contributed to or permitted the occurrence of the act or acts constituting the violation.

“(2) ADDITIONAL RESTRICTIONS ON LIABILITY.—No person shall be subject to a penalty under subsection (a) solely by reason of employing another person who is subject to a penalty under such subsection, unless such employing person is liable as a controlling person under paragraph (1) of this subsection. Section 20(a) of this title shall not apply to actions under subsection (a) of this section.

“(c) AUTHORITY OF COMMISSION.—The Commission, by such rules, regulations, and orders as it considers necessary or appropriate in the public interest or for the protection of investors, may exempt, in whole or in part, either unconditionally or upon specific terms and conditions, any person or transaction or class of persons or transactions from this section.

“(d) PROCEDURES FOR COLLECTION.—

“(1) **PAYMENT OF PENALTY TO TREASURY.**—A penalty imposed under this section shall (subject to subsection (e)) be payable into the Treasury of the United States.

“(2) **COLLECTION OF PENALTIES.**—If a person upon whom such a penalty is imposed shall fail to pay such penalty within the time prescribed in the court’s order, the Commission may refer the matter to the Attorney General who shall recover such penalty by action in the appropriate United States district court.

“(3) **REMEDY NOT EXCLUSIVE.**—The actions authorized by this section may be brought in addition to any other actions that the Commission or the Attorney General are entitled to bring.

“(4) **JURISDICTION AND VENUE.**—For purposes of section 27 of this title, actions under this section shall be actions to enforce a liability or a duty created by this title.

“(5) **STATUTE OF LIMITATIONS.**—No action may be brought under this section more than 5 years after the date of the purchase or sale. This section shall not be construed to bar or limit in any manner any action by the Commission or the Attorney General under any other provision of this title, nor shall it bar or limit in any manner any action to recover penalties, or to seek any other order regarding penalties, imposed in an action commenced within 5 years of such transaction.

“(e) **AUTHORITY TO AWARD BOUNTIES TO INFORMANTS.**—Notwithstanding the provisions of subsection (d)(1), there shall be paid from amounts imposed as a penalty under this section and recovered by the Commission or the Attorney General, such sums, not to exceed 10 percent of such amounts, as the Commission deems appropriate, to the person or persons who provide information leading to the imposition of such penalty. Any determinations under this subsection, including whether, to whom, or in what amount to make payments, shall be in the sole discretion of the Commission, except that no such payment shall be made to any member, officer, or employee of any appropriate regulatory agency, the Department of Justice, or a self-regulatory organization. Any such determination shall be final and not subject to judicial review.

“(f) **DEFINITION.**—For purposes of this section, ‘profit gained’ or ‘loss avoided’ is the difference between the purchase or sale price of the security and the value of that security as measured by the trading price of the security a reasonable period after public dissemination of the nonpublic information.”

(b) **AMENDMENTS CONCERNING SUPERVISION.**—

The Commission, as it deems necessary or appropriate in the public interest or for the protection of investors, shall adopt rules or regulations to require specific policies or procedures reasonably designed to prevent misuse in violation of this Act or the Securities Exchange Act of 1934 (or the rules or regulations thereunder) of material, nonpublic information.”

**SEC. 7. SECURITIES LAWS STUDY.**

(a) **FINDINGS.**—The Congress finds that—

(1) recent disclosures of securities fraud and insider trading have caused public concern about the adequacy of Federal securities laws, rules, and regulations;

(2) Federal securities laws, rules, and regulations have not undergone a comprehensive and exhaustive review since the advent of the modern international, institutionalized securities market;

(3) since that review, the volume of securities transactions and the nature of the securities industry have changed dramatically; and

(4) there is an important national interest in maintaining fair and orderly securities trading, assuring the fairness of securities transactions and markets and protecting investors.

(b) **STUDY AND INVESTIGATION REQUIRED.**—

(1) **GENERAL REQUIREMENT.**—The Securities and Exchange Commission shall, subject to the availability of funds appropriated pursuant to subsection (d), make a study and investigation of the adequacy of the Federal securities laws and rules and regulations thereunder for the protection of the public interest and the interests of investors.

(A) the extent of improper trading while in possession of insider information, such as trading with advance knowledge of tender offers or forthcoming announcements of material financial information;

(B) the adequacy of surveillance methods and technologies of brokers, dealers, and self-regulatory organizations;

(C) the adequacy of cooperation between the Federal, State, and foreign enforcement authorities concerning securities laws enforcement; and

(D) impediments to the fairness and orderliness of the securities markets and to improvements in the breadth and depth of the capital available to the securities markets, and additional methods to promote those objectives.

(3) **CONDUCT OF STUDY AND INVESTIGATION.**—In conducting the study and investigation required by this section, the Commission—

(A) may exercise any existing authority to gather information, including all power and authority the Commission would have if such investigation were being conducted pursuant to section 21 of the Securities Exchange Act of 1934;

(B) may consult with and obtain such assistance and information from other agencies in the executive and legis-

lative branches of the Government (including the Department of Justice) as is necessary to enable the Commission to carry out this section;

(C) may appoint, without regard to the civil service laws, rules, and regulations, such personnel as the Commission deems advisable to carry out such study and investigation and to fix their respective rates of compensation without regard to such laws, rules, and regulations, but no such rate shall exceed the rate payable pursuant to section 5314 of title 5, United States Code; and

(D) may, on a reimbursable basis, use the services of personnel detailed to the Commission from any Federal agency.

(4) **SUPPORT FROM OTHER AGENCIES.**—(A) The head of any Federal agency—

(i) may detail employees to the Commission for the purposes of this section; and

(ii) shall provide to the Commission such information as it requires for the performance of its functions under this section, consistent with applicable law.

(B) The Comptroller General and the Director of the Office of Technology Assessment are authorized to assist the Commission in the performance of its functions under this section.

(c) **REPORTS AND INFORMATION TO CONGRESS.**—

(1) **GENERAL REPORT.**—The Commission shall report to the Congress on the results of its study and investigation within 18 months after the date funds to carry out this section are appropriated under subsection (d). Such report shall include the Commission's recommendations, including such recommendations for legislation as the Commission deems advisable.

(2) **INTERIM INFORMATION TO CONGRESS.**—The Commission shall keep the Committee on Energy and Commerce of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate, and the members thereof, fully informed on the progress of, and any impediments to completing, the study and investigation required by this section.

(d) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated \$5,000,000 to carry out the study and investigation required by this section.

(e) **DEFINITIONS.**—As used in this section—

(1) the term "Commission" means the Securities and Exchange Commission; and

(2) the term "Federal securities laws" has the meaning given the term securities laws by section 3(a)(47) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(47)).

#### **SEC. 8. COOPERATION WITH FOREIGN AUTHORITIES AND INTERNATIONAL ORGANIZATIONS IN ENFORCEMENT.**

Section 35 of the Securities Exchange Act of 1934 is amended by adding at the end thereof the following new subsection:

15 USC 78kk.

"(c) Funds appropriated pursuant to this section are authorized to be expended—

"(1) for official reception and representation expenses, not to exceed \$10,000 per year; and

"(2) for the purpose of maintaining membership in and contributing to the operating expenses of the International

Organization of Securities Commissions, not to exceed \$10,000 per year.”.

15 USC 78o note. **SEC. 9. EFFECTIVE DATE.**
