If no response is filed, or the appropriate customs officer determines that the revocation or suspension is still warranted, he shall notify the customs broker in writing of a hearing to be held within 15 days, or at a later date if the broker requests an extension and shows good cause therefor, before an administrative law judge appointed pursuant to section 3105 of title 5, United States Code, who shall serve as the hearing officer. If the customs broker waives the hearing, or the broker or his designated representative fails to appear at the appointed time and place, the hearing officer shall make findings and recommendations based on the record submitted by the parties. A transcript of the hearing shall be made and a copy will be provided to the appropriate customs officer and the customs broker; they shall thereafter be provided reasonable opportunity to file a post-hearing brief. Following the conclusion of the hearing, the hearing officer shall transmit promptly the record of the hearing along with his findings of fact and recommendations to the Secretary for decision. The Secretary will issue a written decision, based solely on the record, setting forth his findings of fact and the reasons for his decision. Such decision may provide for the sanction contained in the notice to show cause or any lesser sanction authorized by this subsection, including a monetary penalty not to exceed $30,000, than was contained in the notice to show cause.

"(3) SETTLEMENT AND COMPROMISE.—The Secretary may settle and compromise any disciplinary proceeding which has been instituted under this subsection according to the terms and conditions agreed to by the parties, including but not limited to the reduction of any proposed suspension or revocation to a monetary penalty.

The Secretary may modify the findings of facts on the basis of the additional evidence presented. The Secretary shall then file with the court any new or modified findings of fact which shall be conclusive if supported by substantial evidence, together with a recommendation, if any, for the modification or setting aside of the original decision or order.

In the case of a monetary penalty imposed under subsection (d)(2)(B) of this section, if the amount is not tendered within 60 days after the decision becomes final, the license shall automatically be suspended until payment is made to the Customs Service.

(f) The provisions of subsection (a) shall apply with respect to articles entered for consumption after the day which is 15 days after the date of enactment of this Act and before November 1, 1993. Effective date.

SEC. 245. SENSE OF CONGRESS REGARDING POSSIBLE EEC ACTION ON CORN GLUTEN.

Whereas—

(1) the European Council of Ministers has directed the Commission of the European Community (EC) to initiate consultations with the United States and other interested parties under article XXVIII of the General Agreement on Tariffs and Trade (GATT) for the purpose of imposing tariff or tariff quota restrictions on imports of nongrain feed ingredients, including corn gluten feed;

(2) the EC has considered proposals to impose a domestic consumption tax on vegetable fats and oils, which would undermine the intention of the duty-free binding on certain corn and soybean products imported from the United States;

(3) the EC has bound in the GATT that it will impose no import duties on soybeans, soybean meal, corn gluten feed, and other corn by-products, and such zero-tariff bindings were agreed to in return for United States trade concessions to the EC during previous rounds of trade negotiations;

(4) the EC has not demonstrated sound economic justification for restrictions on the import of nongrain feed ingredients and such restrictions would only shift the financial burden of EC Common Agricultural Policy (CAP) reform from the EC to other countries, with negligible improvement in the current EC budget situation;

(5) action by the EC to breach a negotiated concession would severely erode the basic GATT principle of comparative advantage and set a dangerous precedent which could threaten other previously negotiated concessions and serve as a precursor to restrictions on the import of soybeans and soybean products; and

(6) the official position of the United States, as stated by the Secretary of Agriculture, is that there is strong support for the EC efforts to balance the Agricultural budget, but that the

United States will oppose any efforts to limit its exports of corn gluten feed to the EC;

it is the sense of Congress that—

(A) the President should continue to firmly oppose the imposition of any restriction on European Community imports of nongrain feed ingredients, including corn gluten, and should support the current duty-free binding on such products;

(B) the President should continue to rigorously oppose any European Community proposals which would violate the intent of the existing duty-free binding in the General Agreement on Tariffs and Trade on soybeans and soybean products and reaffirm the United States conviction that the imposition of a consumption tax on vegetable fats and oils by the European Community would represent a restraint of trade; and

(C) if unilateral action is taken by the European Community to restrict or inhibit the importation of either nongrain feed ingredients, including corn gluten feed, or vegetable fats and oils, including soybean products, the United States should act immediately to restrict European Community imports of at least the aggregate value of the reduced and potentially reduced United States export products.

SEC. 246. STUDY ON HONEY IMPORTS.

(a) The Senate finds that—

(1) in 1976 the International Trade Commission found that honey imports threatened serious injury to the domestic honey industry and recommended action to control honey imports,

(2) the domestic honey industry is essential for production of many agricultural crops,

(3) a significant part of our total diet is dependent directly or indirectly on insect pollination, and

(4) it is imperative that the domestic honey bee industry be maintained at a level sufficient to provide crop pollination.

(b) It is the sense of the Senate that the Secretary of Agriculture should promptly request the President to call for an International Trade Commission investigation of honey imports, under section 22 of the Agriculture Adjustment Act. 7 USC 624.

SEC. 247. COPPER IMPORTS.

(a) The Congress finds that—

(1) the United States International Trade Commission unanimously found that the United States copper producing industry is being seriously injured by copper imports;

(2) worldwide copper prices are at record low levels;

(3) foreign copper producers have increased their copper production in spite of depressed world prices in an effort to meet their external debt obligations;

(4) United States copper production has been reduced by over forty percent and over half of the work force has been laid off;

(5) continuation of the current depressed world price for copper threatens severe economic distress for less developed countries which are dependent on copper exports as their major source of foreign exchange;

(6) the competitivness of United States copper producers could be enhanced through the investment which could be generated if worldwide copper prices returned to more historically representative levels; and

(7) a balanced reduction in foreign copper production which raises marginally the world price for copper would not disadvantage domestic fabricators by creating a two-tier pricing system.

(b) It is the sense of Congress that the President should negotiate with the principal foreign copper-producing countries to conclude voluntary restraint agreements with those governments for the purpose of effecting a balanced reduction of total annual foreign copper production for a period of between three and five years in order to—

(1) allow the price of copper on international markets to rise modestly to levels which will permit the remaining copper operations located in the United States to attract needed capital, and

(2) achieve a secure domestic supply of copper.

Report.

(c) It is the further sense of the Congress that the President should submit a report to Congress, within twelve months of the date of enactment of this Act, explaining—

(1) the results of his negotiations; or

(2) why he felt it was inappropriate or unnecessary to undertake such negotiations.

SEC. 248. DISAPPROVAL OF PRESIDENTIAL DETERMINATIONS UNDER SECTION 203 OF THE TRADE ACT OF 1974.

(a)(1) Section 203(c)(1) of the Trade Act of 1974 (19 U.S.C. 2253(c)(1)) is amended to read as follows:

"(1) If the President reports under subsection (b) that he is taking action which differs from the action recommended by the Commission under section 201(d)(1)(A), or that he will not provide import relief, the action recommended by the Commission shall take effect (as provided in paragraph (2)) upon enactment of a joint resolution described in section 152(a)(1)(A) within the 90-day period beginning on the date on which the document referred to in subsection (b) is transmitted to the Congress.".

19 USC 2251.

19 USC 2252.

(2) Section 203(c)(2) of the Trade Act of 1974 (19 U.S.C. 2253(c)(2)) is amended—

(A) by striking out "adoption of such resolution" and inserting in lieu thereof "enactment of the joint resolution referred to in paragraph (1)", and

(B) by striking out "section 201(b)" and inserting in lieu thereof "section 201(d)".

(b) Section 152(a)(1)(A) of the Trade Act of 1974 (19 U.S.C. 2192(a)(1)(A)) is amended by striking out "concurrent resolution" and inserting in lieu thereof "joint resolution".

(c) Section 330(d)(4) of the Tariff Act of 1930 (19 U.S.C. 1330(d)(4)) is amended by striking out "the concurrent resolution described in such section 152" and inserting in lieu thereof "the joint resolution described in such section 152(a)(1)(A)".

SEC. 249. SECTION 201 CRITERIA.

Section 201(b) of the Trade Act of 1974 (19 U.S.C. 2251(b)) is amended—

(1) by amending paragraph (2)—

(A) by inserting "(whether maintained by domestic producers, importers, wholesalers, or retailers)" after "inventory" in subparagraph (B),

(B) by striking out "and" at the end of subparagraph (B),

(C) by striking out the period at the end of subparagraph (C) and inserting in lieu thereof "; and", and

(D) by adding at the end thereof the following:

"(D) the presence or absence of any factor which the Commission is required to evaluate in subparagraphs (A) and (B) shall not necessarily be dispositive of whether an article is being imported into the United States in such increased quantities as to be a substantial cause of serious injury or threat of serious injury to the domestic industry."; and

(2) by adding at the end thereof the following new paragraph:

"(7) For purposes of this section, the term 'significant idling of productive facilities' includes the closing of plants or the underutilization of production capacity.".

SEC. 250. HOGS AND PORK PRODUCTS FROM CANADA.

The pork industry contributes $9,000,000,000 annually to the United States economy;

Over four hundred and fifty thousand United States farmers produce pork for domestic and foreign markets;

United States imports of live hogs from Canada averaged one hundred thousand animals each year between 1970 and 1974, yet since 1981, such imports have increased yearly from one hundred and forty-six thousand head to an estimated more than one million head in 1984;

The adverse economic effect of the recent surge in imports of Canadian hogs and pork products on United States pork producers has been estimated to be in excess of $500,000,000 in 1982 and 1983, and approximately $300,000,000 during the first five months of 1984;

The Canadian Government provides price support for hogs at a level equal to 90 per centum of the previous five-year average market price, indexed for changes in cash costs of production of hogs, which represented a payment of $6.54 per head to Canadian pork producers last year, and all but one provincial government of Canada also provide direct production assistance to support Canadian pork producers; and

It is essential that the administration act immediately to address the threat to the United States pork production industry caused by the dramatic increase in imports of hogs and pork products from Canada.

It is the sense of the Senate that the President should direct appropriate members of the administration, including the United States Trade Representative, the Secretary of Agriculture, and the Secretary of Commerce, to aggressively pursue discussions with the Canadian Government directed toward resolving this situation and use all available authorities in an effort to protect the economic viability of the United States pork industry and to promote free and fair trade.

SEC. 251. COPYRIGHT PROTECTION OF COMPUTER SOFTWARE.

Since the development of computer software and other information technologies is increasingly important to economic growth and productivity in the United States and other nations;

Since the United States is the world leader in the technological development of computer software and in the production and sale of computer software;

Since the United States has since 1964 considered computer software a work of authorship protected by copyright and this form

of intellectual property right protection has served to encourage continuing research, development, and innovation of computer software;

Since copyright protection is afforded computer software by most industrialized nations including Japan, the Netherlands, France, the Federal Republic of Germany, the United Kingdom, South Africa, Hungary, Taiwan, and Australia;

Since Japan is reviewing a proposal to abandon copyright protection of software and to adopt a system that rejects the principle that software is a work of authorship;

Since Japan is reviewing a proposal that also provides broadly for the compulsory licensing of software; and

Since the enactment by Japan of such a proposal could prompt the adoption of similar proposals by other nations currently considering this question, with serious adverse effects on the existing international order for the protection of intellectual property rights: Now, therefore, be it

Declared that it is the sense of the Congress that—

(1) copyright protection is an essential form of intellectual property right protection for computer software;

(2) any proposal to abandon copyright protection of software or to provide a new system of legal protection that incorporates compulsory licensing of software would (A) disserve the goal of promoting continuing development and innovation in computer software; (B) undermine the international consensus that computer software is a work of authorship protected by copyright; (C) result in economic harm to the computer software industry of the United States, and also of Japan and of other nations; and (D) contribute to increasing trade tensions among the nations of the world; and

(3) if a nation withdraws copyright protection of software or provides for broad compulsory licensing of software, it would be in the interests of the United States and other nations to seek appropriate relief, including that provided under the Universal Copyright Convention, to ensure the just protection of intellectual property rights and the promotion of free and fair trade.

(a)(1) Chapter 1 of title I is amended by inserting immediately after section 104 the following new section:

19 USC 2114a.

"SEC. 104A. NEGOTIATING OBJECTIVES WITH RESPECT TO TRADE IN SERVICES, FOREIGN DIRECT INVESTMENT, AND HIGH TECHNOLOGY PRODUCTS.

"(a) TRADE IN SERVICES.—

"(1) IN GENERAL.—Principal United States negotiating objectives under section 102 shall be— 19 USC 2112.

"(A) to reduce or to eliminate barriers to, or other distortions of, international trade in services (particularly United States service sector trade in foreign markets), including barriers that deny national treatment and restrictions on the establishment and operation in such markets; and

"(B) to develop internationally agreed rules, including dispute settlement procedures, which—

"(i) are consistent with the commercial policies of the United States, and

"(ii) will reduce or eliminate such barriers or distortions and help ensure open international trade in services.

"(2) DOMESTIC OBJECTIVES.—In pursuing the objectives described in paragraph (1), United States negotiators shall take into account legitimate United States domestic objectives including, but not limited to, the protection of legitimate health or safety, essential security, environmental, consumer or employment opportunity interests and the laws and regulations related thereto.

"(b) FOREIGN DIRECT INVESTMENT.—

"(1) IN GENERAL.—Principal United States negotiating objectives under section 102 shall be— 19 USC 2112.

"(A) to reduce or to eliminate artificial or trade-distorting barriers to foreign direct investment, to expand the principle of national treatment, and to reduce unreasonable barriers to establishment; and

"(B) to develop internationally agreed rules, including dispute settlement procedures, which—

"(i) will help ensure a free flow of foreign direct investment, and

"(ii) will reduce or eliminate the trade distortive effects of certain investment related measures.

19 USC 2251.

(c) For purposes of subsections (a) and (c) of section 203 of the Trade Act of 1974, the suspension of the reduction or elimination of a duty under subsection (a) shall be treated as an increase in duty.

(d) No proclamation which provides solely for a suspension referred to in subsection (a) with respect to any article shall be made under subsections (a) and (c) of section 203 of the Trade Act of 1974 unless the Commission, in addition to making an affirmative determination with respect to such article under section 201(b) of the Trade Act of 1974, determines in the course of its investigation under that section that the serious injury (or threat thereof) substantially caused by imports to the domestic industry producing a like or directly competitive article results from the reduction or elimination of any duty provided under any trade agreement provision entered into with Israel under section 102(b)(1) of the Trade Act of 1974.

(e)(1) Any proclamation issued under section 203 of the Trade Act of 1974 that is in effect when an agreement with Israel is entered into under section 102(b)(1) of the Trade Act of 1974 shall remain in effect until modified or terminated.

(2) the Secretary of Agriculture shall publish a notice of his determination not to recommend the imposition of emergency action and so advise the petitioner.

(c) Within 7 days after the President receives a recommendation from the Secretary of Agriculture to take emergency action under subsection (b), he shall issue a proclamation withdrawing the reduction or elimination of duty provided to the perishable product under any trade agreement provision entered into under section 102(b)(1) of the Trade Act of 1974 or publish a notice of his determination not to take emergency action. President of U.S. *Ante*, p. 3013.

19 USC 2461 note.

(b) The purpose of this title is to—

(2) promote the notion that trade, rather than aid, is a more effective and cost-efficient way of promoting broad-based sustained economic development;

(5) encourage the providing of increased trade liberalization measures, thereby setting an example to be emulated by other industrialized countries;

(6) recognize that a large number of developing countries must generate sufficient foreign exchange earnings to meet international debt obligations;

(7) promote the creation of additional opportunities for trade among the developing countries;

(8) integrate developing countries into the international trading system with its attendant responsibilities in a manner commensurate with their development;

(9) encourage developing countries—

(A) to eliminate or reduce significant barriers to trade in goods and services and to investment,

(B) to provide effective means under which foreign nationals may secure, exercise, and enforce exclusive intellectual property rights, and

(C) to afford workers internationally recognized worker rights; and

TITLE VIII—ENFORCEMENT AUTHORITY FOR THE NATIONAL POLICY FOR THE STEEL INDUSTRY

Steel Import Stabilization Act.

SEC. 801. SHORT TITLE. 19 USC 2253 note.

This title may be cited as the "Steel Import Stabilization Act".

19 USC 2253 note.

SEC. 802. FINDINGS AND PURPOSES.

(a) The Congress finds that—

(1) the United States steel industry has a serious need to modernize its plant and equipment in order to enhance its international competitiveness, and needs increased capital investments to effect that modernization;

(2) the ability of the domestic steel industry to be internationally competitive is, and has been, impeded by the effects of the enormous Federal budget deficit, an overvalued dollar, and increasing trade deficits, as well as serious injury due to imports of, and subsidies, dumping, and the use of other unfair and restrictive foreign trade practices regarding steel products;

(3) the extensiveness of the unfair trade practices engaged in the international market regarding such products imposes unusually harsh burdens on the United States steel industry in combating those practices through the trade remedy laws;

(4) expeditious and effective action under the President's national policy for the steel industry, including more vigorous efforts by the Executive Branch to self-initiate and pursue remedies against those practices, is needed to eliminate the adverse effects of those unfair trade practices;

(5) import relief will be ineffective and will not serve the national economic interest unless the industry during the period of relief engages in serious efforts substantially to modernize and to improve its international competitiveness; and

(6) full and effective implementation of the national policy for the steel industry will substantially improve the economy and employment in both the steel and iron ore-producing sectors.

(b) The purposes of this title are—

(1) to supplement the authority of the President to achieve the goals of the national policy for the steel industry by granting enforcement powers regarding those bilateral arrangements that are entered into or undertaken for purposes of implementing that national policy; and

(2) to make the continuation of those powers subject to the condition that the steel industry undertake a comprehensive modernization of its plant and equipment.

19 USC 2253 note.

SEC. 803. SENSE OF CONGRESS REGARDING THE NATIONAL POLICY FOR THE STEEL INDUSTRY.

It is the sense of the Congress that—

(1) the President should, in conjunction with the authority granted under this title, implement the national policy for the steel industry in a manner to ensure that the foreign share of the United States market for steel products is commensurate with a level which would obtain under conditions of fair, unsubsidized competition; and it is further the sense of Congress that when this policy is fully implemented, it will result in a foreign share of the domestic market of 17.0 to 20.2 percent, subject to such modifications that changes in market conditions and the composition of the steel industry may require;

(2) the national policy for the steel industry should not be implemented in a manner contrary to the antitrust laws; and

(3) if the national policy for the steel industry does not produce satisfactory results within a reasonable period of time, the Congress will consider taking such legislative actions concerning steel and iron ore products as may be necessary or

appropriate to stabilize conditions in the domestic market for such products.

SEC. 804. DEFINITIONS.

19 USC 2253 note.

As used in this title—

(1) The term "bilateral arrangement" means any arrangement, agreement, or understanding (including, but not limited to, any surge control understanding or suspension agreement) entered into or undertaken, or previously entered into or undertaken, by the United States and any foreign country or customs union containing such quantitative limitations, restrictions, or other terms relating to the importation into, or exportation to, the United States of categories of steel products as may be necessary to implement the national policy for the steel industry.

(2) The term "national policy for the steel industry" means those actions and elements described in Executive Communication 4046, dated September 18, 1984 (printed as House Document 98-263).

(3) The term "steel industry" means producers in the United States of steel products.

SEC. 805. ENFORCEMENT AUTHORITY.

19 USC 2253 note.

(a) Subject to section 806, the President is authorized to carry out such actions as may be necessary or appropriate to enforce the quantitative limitations, restrictions, and other terms agreed to between the United States and steel-exporting nations as contained in bilateral arrangements. Such actions may include, but are not limited to, requirements that valid export licenses or other documentation issued by a foreign government be presented as a condition for the entry into the United States of steel products.

(b)(1) In connection with the provisions of the Arrangement on European Communities' Export of Pipes and Tubes to the United States of America, contained in an exchange of letters dated October 21, 1982, between representatives of the United States and the Commission of the European Communities, including any modification, clarification, extension, or successor agreement thereto (collectively referred to hereinafter as "the Arrangement"), the Secretary of Commerce is authorized to request the Secretary of the Treasury to take action pursuant to paragraph (2) of this subsection whenever he determines that—

(A) the level of exports of pipes and tubes to the United States from the European Communities is exceeding the average share of annual United States apparent consumption specified in the Arrangement, or

(B) distortion is occurring in the pattern of United States-European Communities trade within the pipe and tube sector taking into account the average share of annual United States apparent consumption accounted for by European Communities articles within product categories developed by the Secretary of Commerce.

Any request to the Secretary of the Treasury pursuant to this subsection by the Secretary of Commerce shall identify one or more categories of pipe and tube products with respect to which action under paragraph (2) is requested.

(2) At the request of the Secretary of Commerce pursuant to paragraph (1), the Secretary of the Treasury shall take such action

31-194 O - 86 - 22 : QL.3 Part3

as may be necessary to ensure that the aggregate quantity of European Communities articles in each product category identified by the Secretary of Commerce in such request that are entered into the United States are in accordance with the terms of the Arrangement.

(3) Nothing in this subsection may be construed as prohibiting the Secretary of Commerce from permitting the importation of additional quantities of specific products in cases where the Secretary determines that conditions of short supply or emergency economic situations related to market demand exist; except that a short supply or emergency economic situation shall not be considered to exist solely because domestic producers are unwilling to supply products at prices below their costs of production (as determined by the Secretary of Commerce).

(c) For purposes of carrying out this title, the Secretary of the Treasury may provide by regulation for the terms and conditions under which steel products may be denied entry into the United States.

19 USC 2253 note.

SEC. 806. EFFECTIVE PERIOD OF TITLE.

(a) IN GENERAL.—Section 805 shall terminate—

(1) at the close of the fifth anniversary of the effective date of this title; or

(2) at the close of the first, second, third, or fourth anniversary of the effective date of this title, unless the President, before each such anniversary, submits to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate (in writing and together with the reasons therefor) an affirmative annual determination described in subsection (b).

(b)(1) An affirmative annual determination is a determination by the President that—

(A) the major companies of the steel industry, taken as a whole, have, during the 12-month period ending at the close of an anniversary referred to in subsection (a)(2)—

(i) committed substantially all of their net cash flow from steel product operations for purposes of reinvestment in, and modernization of, that industry through investment in modern plant and equipment, research and development, and other appropriate projects, such as working capital for steel operations and programs for the retraining of workers; and

(ii) taken sufficient action to maintain their international competitiveness, including action to produce price-competitive and quality-competitive products, to control costs of production, including employment costs, and to improve productivity; and

(B) each of the major companies committed for the applicable 12-month period not less than 1 percent of net cash flow to the retraining of workers; except that this requirement may be waived by the President with respect to a major company in noncompliance, if he finds unusual economic circumstances exist with respect to that company; and

(C) the enforcement authority provided under section 805 remains necessary to maintain the effectiveness of bilateral arrangements undertaken to eliminate unfair trade practices in the steel sector.

(2) For purposes of this subsection—

(A) the term "major company" means an enterprise whose raw steel production in the United States during 1983 exceeded 1,500,000 net tons.

(B) The term "net cash flow" means annual net (after-tax) income plus depreciation, depletion allowances, amortization, and changes in reserves minus dividends and payments on short-term and long-term debts and liabilities.

(3) For purposes of carrying out this subsection, the President shall take into account such information as may be available from the United States International Trade Commission and other appropriate sources relating to the modernization efforts of the steel industry.

The plan required under this section shall be based upon existing authorities for providing such assistance, but shall be accompanied by such recommendations for additional statutory authority as the Secretary of Labor considers necessary to carry out the purposes of the plan.

TITLE IX—WINE TRADE

Wine Equity and Export Expansion Act of 1984.

SEC. 901. SHORT TITLE.

19 USC 2801 note.

This title may be cited as the "Wine Equity and Export Expansion Act of 1984".

SEC. 902. CONGRESSIONAL FINDINGS AND PURPOSES.

19 USC 2801.

(a) Congress finds that—

(1) there is a substantial imbalance in international wine trade resulting, in part, from the relative accessibility enjoyed by foreign wines to the United States market while the United States wine industry faces restrictive tariff and nontariff barriers in virtually every existing or potential foreign market;

(2) the restricted access to foreign markets and the continued low prices for United States wine and grape products adversely affect the economic position of our Nation's winemakers and grape growers, as well as all other domestic sectors that depend upon wine production;

(3) the competitive position of United States wine in international trade has been weakened by foreign trade practices, high domestic interest rates, and unfavorable foreign exchange rates;

(4) wine consumption per capita is very low in many major non-wine producing markets and the demand potential for United States wine is significant; and

(5) the United States winemaking industry has the capacity and the ability to export substantial volumes of wine and an increase in United States wine exports will create new jobs, improve this Nation's balance of trade, and otherwise strengthen the national economy.

(b) The purposes of this title are—

(1) to provide wine consumers with the greatest possible choice of wines from wine-producing countries;

(2) to encourage the initiation of an export promotion program to develop, maintain, and expand foreign markets for United States wine; and

(3) to achieve greater access to foreign markets for United States wine and grape products through the reduction or elimination of tariff barriers and nontariff barriers to (or other distortions of) trade in wine.

19 USC 2802.

SEC. 903. DEFINITIONS.

(3) The term "major wine trading country" means any foreign country, or group of foreign countries, designated as such under section 904.

(4) The phrase "nontariff barrier to (or other distortion of)", in the context of trade in United States wine, includes any measure implemented by the government of a major wine trading country that either gives a competitive advantage to the wine industry of that country or restricts the importation of United States wine into that country.

(5) The term "Trade Representative" means the United States Trade Representative.

(6) The term "United States wine" means wine produced within the customs territory of the United States.

(7) The term "wine" means any fermented alcoholic beverage that—

(A) is made from grapes or other fruit;

(B) contains not less than 0.5 percent alcohol by volume and not more than 24 percent alcohol by volume, including all dilutions and mixtures thereof by whatever process produced; and

(C) is for nonindustrial use.

19 USC 2803.

SEC. 904. DESIGNATION OF MAJOR WINE TRADING COUNTRIES.

(a) The Trade Representative shall designate as a major wine trading country each foreign country, or group of foreign countries represented as an economic union, that, in the judgment of the Trade Representative—

(1) is a potential significant market for United States wine; and

(2) maintains tariff barriers or nontariff barriers to (or other distortions of) trade in United States wine.

(b) In deciding, for purposes of subsection (a)(2), whether a foreign country or group of countries maintains nontariff barriers to (or

other distortions of) trade in United States wine, the Trade Representative shall take into account—

(a) The President shall direct the Trade Representative to enter into consultations with each major wine trading country to seek a reduction or elimination of that country's tariff barriers and nontariff barriers to (or other distortions of) trade in United States wine. President of U.S.

(b)(1) the President shall notify each of the Committees regarding the extent and effect of the efforts undertaken since the submission of the report required under section 854(a) of the Trade Agreements Act of 1979, and during the 12-month period beginning on the date of the enactment of this Act, to expand opportunities in each major wine trading country for exports of United States wine. Such notification, which shall be in the form of a separate written report (that must be submitted within 30 days after the close of that 12-month period) for each major wine trading country, shall include— Report.

(A) a description of each act, policy, and practice (and of its legal basis and operation) in that country that constitutes a tariff barrier or nontariff barrier to (or other distortion of) trade in United States wine (and that description shall be based upon an updating of the report that was submitted to the Congress under section 854(a) of the Trade Agreements Act of 1979); 19 USC 2135 note.

(E) recommendations to the Congress of any additional legislative authority or other action which the President believes is necessary and appropriate to obtain the elimination or reduction of foreign tariff barriers or nontariff barriers to (or other distortions of) trade in United States wine.

(2) The reports required under paragraph (1) shall be developed and coordinated by the Trade Representative through the interagency trade organization established by section 242(a) of the Trade Expansion Act of 1962. 19 USC 1872.

(c) If the President, after taking into account information and advice received under subsections (a) and (b), section 906 or from other sources, determines that action is appropriate to respond to any act, policy, or practice of a major wine trading country constitutes a tariff barrier or nontariff barrier to (or other distortion of) trade in United States wine and—

(1) is inconsistent with the provisions of, or otherwise denies benefits to the United States under, any trade agreement; or

(2) is unjustifiable, unreasonable, or discriminatory and burdens or restricts United States commerce;

the President, shall take all appropriate and feasible action under the Trade Act of 1974 to enforce the rights of the United States under any such trade agreement or to obtain the elimination of such act, policy, or practice.
